

Create a diamond board:

```
  0 1 2 3 4 5 6 7 8
0      *
1     * * *
2    * * * * *
3   * * * * * *
4  * * * * ○ * * *
5   * * * * * *
6    * * * * *
7     * * *
8      *
```

Make a move from (6,4) to (4,4):

```
  0 1 2 3 4 5 6 7 8
0      *
1     * * *
2    * * * * *
3   * * * * * *
4  * * * * * * *
5   * * * ○ * * *
6    * * ○ * *
7     * * *
8      *
```

Make a move from (6,6) to (6,4):

```
  0 1 2 3 4 5 6 7 8
0      *
1     * * *
2    * * * * *
3   * * * * * *
4  * * * * * * *
5   * * * ○ * * *
6    * * * ○ ○
7     * * *
8      *
```

You have 38 marbles to remove!

Testing copy constructor normal case:

Copy constructor test normal case passed!
